Order sought

The applicant applies to revoke the juvenile offender reporting order made in respect of the above-named offender.

Documents in support of application

An affidavit detailing the reasons that the offender does not pose a risk to the lives or sexual safety of one or more persons, or any persons generally is filed with this application.

The affidavit attaches the following required documents:

- Current criminal history (record of convictions).
- Transcript of the proceedings when the order was made.
- Other reports or documents you seek to rely on to support the application.

Important information

This application **must** be accompanied by a supporting affidavit which also attaches the required listed documents.

This application and a supporting affidavit must be lodged with the court and have hearing details completed **before** being served on the Commissioner of Police at sor@police.wa.gov.au.

A Certificate of Service **must** be filed to advise the court that service of the documents has been completed.
